Lot Owners and Friends of Oakdale,

You may have read the newspaper article on July 15 about Fairmount Cemetery. We would like to assure you that Oakdale Cemetery is solvent. We are licensed and report yearly to the Iowa Insurance Division of Iowa Securities and Regulated Industries Bureau. Our last audit was 2014. Oakdale is a perpetual care cemetery. Twenty percent of each lot sale goes into this fund. Two trustees oversee Oakdale's perpetual care trust.

The grounds are in wonderful shape, we continue to sell lots, and we have an average of eight burials a month. In addition, Petland and our cremation service is very active.

Please join Oakdale as we celebrate the life of Bix Beiderbecke with a graveside jazz performance by Locust Street Boys on Saturday, August 5 at 10:00 A.M.

Be aware of the road construction on Eastern Avenue. You can enter the cemetery on Eastern from the south. During the week, the best time to visit is after six. The work should be completed in 3-4 weeks.
